

Do What Matters Most

Be Yourself, Always

Show You Care

Succeed Together

### English

We will be exploring the book 'Hermelin'  
We will be exploring the book and using vocabulary to share what we see and make predictions.

We will be using phonics strategies to write sounds, letters, words and sentences and learn to write grammar features e.g. using full stops, capital letters and using 'and' to add more information.

### Maths

We will start the half term exploring geometry and focusing on 3D shapes

We will then move on to focusing on the place value of numbers up to 20 and how to write numbers in numerals and words.

Then we will be practising our addition and subtraction skills.

We will be following the White Rose Maths Scheme.

### History/Geography

In Geography we will look at the different seasons and the changes from Autumn to Winter.

We will be learning about the signs of Spring and the names of some spring flowers.

### Science

This half term we will be learning about humans and animals.

We will be sorting animals into groups including mammals, reptiles, fish, birds and amphibians.

We will be thinking about what different groups of animals eat .

We will look at the human body and the 5 senses.

### RE

In RE, we will learn about Islam. We will be learning what a Muslim is and what they believe.

### PSHE

In PSHE we will be learning about how to be healthy and wellbeing.

We will learn about how we can keep safe too.

### Art/DT

In DT we will be learning about wheels and axles and how they help vehicles move. We will then be designing our own vehicle, making it and then evaluating our designs
