

Co-op Academy Medlock Year 3 Overview - Autumn 1

Do What Matters Most		Be Yourself, Always	Show You Care	Succeed Together
English This half term, we will be using Ocean Meets Sky by Eric Fan & Terry Fan to immerse, analyse, plan and write a dream adventure narrative. Also, we will be using The Search for the Giant Arctic Jellyfish by Chloe Savage to immerse, analyse, plan and write a Ship Captain's Daily Log. We will be using the Ready Steady Read Together scheme to explore a range of poetry, fiction and non-fiction texts. Spelling will be developed through the use of 'No Nonsense Spelling'.		Maths In Maths, we will focus on developing our understanding of place value. We will learn how to read, write, represent, partition, compare and order numbers up to 1000. Also, in addition and subtraction we will introduce mental strategies for adding or subtracting 1s, 10s, and 100s, alongside formal 3-digit column methods with exchanging.		
History/ Geography This half term, we will be investigating our question 'Would you rather have lived in Prehistoric Britain or Ancient Egypt?'. We will look at the changes in Britain from the Stone Age to the Iron Age. We will learn about the key features of Ancient Egyptian civilisation, compare daily lives from the periods and be able to describe their religious beliefs.		Science In Science, we will identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food – they get nutrition from what they eat. Also, we will identify that humans and some other animals have skeletons and muscles for support, protection and movement.		
RE In RE, pupils will investigate in depth different religious and spiritual ways of life regarding diverse beliefs about God.	PSHE In PSHE, we will be exploring different types of relationships. We will look at how we should treat people, friendships and bullying.	Computing In Computing, we will focus on 'Be Internet Sharp' and 'Be Internet Alert' in E-safety'. We will develop our coding skills using Discovery Coding.		
Art/DT In Art, we will explore art through the use of portraits, learn about different artists and the process to create our own portrait.	Spanish In Spanish, we will be learning numbers up to 20 and we will learn how to talk about ourselves (name, age and favourite animals).		PE In PE, we will be developing our hockey skills. We will concentrate on basic stance, close dribble, passing, defending, stopping and changing direction. We will learn the rules of a hockey game.	
Music In Music, we will learn about 'Stone Age Rhythms' where each lesson will explore singing, listening and playing activities.
