Co-op Academy Medlock

Co-op Academy Medlock Year 1 Autumn 2 Overview

Do What Matters Most	Be Yourself, Always	Show You Care	Succeed Together

English

We will be exploring the story of Beegu. We will continue to embed foundational skills (letter formation, finger spaces, capital letters and full stops), as well as starting to compose our own sentences.

Maths

We will continue with our work on addition and subtraction within 10. We will be finding parts of a number and finding out how many are left, using cubes, counters and number lines to help us with our counting.

We will also be recognising and naming 2D and 3D shapes.

History/Geography

We are going to continue learning about how houses have changed since the Victorian times, thinking about how they kept clean.

In Geography we will be exploring our local area. We will go on a local walk to find local features e.g. the zebra crossing.

Science

This half term we will be exploring seasons. We plan to go on an Autumn walk to find the features of Autumn e.g. pinecones, conkers and different coloured leaves.

We will also be learning about floating and sinking and freezing and melting.

RE

In RE, we will learn some stories from the Bible and what each story teaches Christians.

In the Spring term we learn about Islam.

PSHE

In PSHE we will learn about how to keep safe at home and in new places, as well as who our trusted adults are. We will also learn how to make a 999 call in an emergency.

Computing

We will be learning about how to stay safe online and what to do if something makes us worry. We will talk about who our trusted adults are that we can talk to.

Art/DT

In art we will be exploring texture through printing, with a range of different materials. We will use houses as our inspiration, exploring the idea of repeating patterns and experimenting with different ways to do this.

PE

We will focus on developing the children's sending and returning skills. The children will learn how to play target games, working on their aiming skills.

PE kits should be worn to school on Wednesday and Thursday.
